The O.T.C., controlled and organised by the War Office, exists primarily to train officers and create a potential reserve of officers to meet a national emergency.

It aims to inculcate the qualities of self reliance, confidence, smartness, fitness, the art of leadership and command and to foster a spirit of comradeship.

Its members incur no further obligation as to military service than is required of other citizens.

Terminal subscription is 5/-, which covers all expenses including uniform, field days, shooting at Altcar and the Range, band instruments, etc.

O.T.C. camps are held at the end of July for 9 days at Aldershot, Strensall, Tidworth Park or Pennings. Cost 35/- per cadet, inclusive of all charges.
