The combined Cadet Force, controlled and organised jointly by the three Services, exists primarily to give pre-service training up to the standard of Certificate 'A' and the R.A.F. Proficiency Certificate.

It aims to inculcate the qualities of self-reliance, confidence, smartness, fitness, the art of leadership and command, and to foster the spirit of comradeship.

Its members incur no further obligation as to military service than is required of other citizens during National Service. But numerous advantages are offered to those cadets who have certificate 'A' and/or the R.A.F. Proficiency Certificate.

Entry into the Basic Section is open to all boys who are in Lower 5th forms and above.

Application to join may be made in September and January of each school year.

Combined Cadet Force—continued

Entry into the Army and R.A.F. Sections is limited to cadets who have graduated from the Basic Section by passing part I of the examination for Certificate 'A.'

Training camps and courses are held during each of the school holidays at Army depots, R.A.F. stations, and aboard H.M. ships and shore establishments.
